Recital

Pablo Villegas

0h57 1 CD HMU907649 September 2015

**Made in America.** This is a musical journey through different countries, aesthetics, composers, and styles of the great American continent. On this album, Pablo Villegas combines the emotions of sensual Brazilian music, the nostalgic tango, vivid Venezuelan rhythms, the deep emotions of John Williams, and the exciting and colorful American bluegrass. Welcome on board!
