Visiting the Schumanns

The Dichter Trio takes us on an imaginary visit to one of the most iconic couples in 19th-century Germany: the home of Robert and Clara Schumann, enlivened by their artistic, musical, and personal exuberance. Bach was one of their models; Gade, Kirchner, and Brahms: their protégés; and Felix Mendelssohn—a close friend! An immersive look at their music-making that tells us more than a shelf full of books...
