"Ensemble 415 reveal clear-sighted authority, dedication and faultless expertise." – **CD Review**

"This disc is full of beautiful, fine-drawn, sensitive playing, very much alert to the mercurial moods of Boccherini's music, and with Chiara Banchini as delicate as can be imagined with his filigree lines – but also full-blooded when the music so demands. Period instruments and restrained use of vibrato give a welcome airiness to the textures. I can't imagine performances that catch more truly the special nature of Boccherini's muse." – **Gramophone**
