JOHANNES BRAHMS

## Complete Piano Trios

Trio Wanderer

2h05 Digital HMG501915.16 June 2016

The four piano trios and the first of the three piano quartets cover a large part of the career of Johannes Brahms, from the youthful convulsions of the Trios op.8 and op. posth. (dating from 1854) to the masterpiece of late Romantic literature constituted by op.101 of 1886. A repertoire that is naturally close to the hearts of the Wanderer Trio.

This title was released for the first time in 2006.
