# Membra Jesu Nostr

Concerto Vocale, René Jacobs

.llh11 1 CD HMA1951333 June 2003

'Jacobs has found the means of marrying intense religious fervour with highly "personalised" expression. (...) The instrumental ensemble provides a commentary of indescribable poetry. (...) The coupling is also exceptionally interesting, with the jubilation of *Heut triumphieret Gottes Sohn* forming a superb contrast with the meditations of *Membra Jesu nostr* and offering an apotheosis in its concluding Alleluia." – **Le Monde de la Musique**

*This title was released for the first time in 1990.*
