Organ Works

René Saorgin aux ogues d'Alkmaar, Zwolle, Altenbruch, Arlesheim

5h38 Digital HMX2901484.88 January 2007

The great master of the 17th-century north German organ school, Dietrich Buxtehude, has left us an oeuvre of extraordinary density. When they are played on the graceful instruments of his own time, his compositions, sacred or secular, take on their full dimension. Behind their erudite façade, René Saorgin reveals the freedom and creative spontaneity so typical of the composer.

René Saorgin plays the historic organs of Alkmaar, Zwolle (NL), Altenbruch (DE), and Arlesheim (CH).

This title was released for the first time in 1970.
