Soeur Marie Keyrouz & L'Ensemble de la Paix

1h14 Digital HMA1951577 January 2011

'The voice, the text, the instrument and the music must become one in the service of the Sacred, so that the message is transmitted, leading the listener, the 'other', to a contemplative state of mind and soul and to prayer. Whether it be a catechetical, a musical or a devotional implement, this recording aims at being an encounter and a prayer. But is this not the aim of all sacred song?'

This title was released for the first time in 1996.
