HEINRICH SCHÜTZ

David & Salomon. Psalmi, Canticum Canticorum

Les Cris de Paris, Geoffroy Jourdain

1h13 1 CD HMM905346 March 2022

Geoffroy Jourdain and Les Cris de Paris introduce us to a facet of Heinrich Schütz that is often overlooked: his works directly inspired by Italy, and more especially by Venice, where he worked closely with Giovanni Gabrieli. In this programme of music, sometimes deeply spiritual, sometimes with a strong secular influence, ranging from duets to large choral ensembles, we meet a rich and radiant composer with myriad colours in his palette. An enchanting disc!
