ANTONÍN DVOŘÁK

Piano Trios op.65 & 90

Trio Wanderer

1h05 1 CD HMM902248 January 2017

Dumky for ever!

The Trio Wanderer pays tribute to Dvořák and his last two trios. Alongside the sombre interiority and fiery intensity of the Trio no.3 in F minor, this programme presents a new version of the famous Dumky Trio, to which the Wanderers owe their first great success on record. Passionate and melancholy by turns, it is also the most innovative and the freest of Dvořák's trios. A fine symbol for the Trio Wanderer, which has just reached its thirtieth year of existence without ever ceasing to surprise and touch us.

Happy anniversary and hats off!
