## Études-Tableaux op. 33 & 39

Nikolai Lugansky

1h14 1 CD HMM902297 Februar 2023

Following on from his formidable complete recording of the Preludes, Nikolai Lugansky now immerses us in two more major cycles by Rachmaninoff, the *Études-tableaux*. Like Chopin and Liszt, the Russian composer here transcends every technical difficulty to make room for emotion alone. At once poet and virtuoso, Nikolai Lugansky is unmatched in his ability to do justice to this prodigious musical kaleidoscope.
