FAURÉ - PIERNÉ

FAURE / PIERNE

Trio Wanderer

0h57 1 CD HMC902192 November 2014

Gabriel Fauré's Piano Trio is a late work (1923) which at once aroused the admiration of his contemporaries and is now regarded as one of the finest trios in the French repertory. The much less well-known Trio of Gabriel Pierné, premiered a year earlier, is characterised by its solid architecture, its great melodic richness, and a notably inventive rhythmic style. Two masterpieces that make an eminently logical coupling.
