Gloryland

Anonymous 4, Darol Anger, Mike Marshall

November 2023

In a second pilgrimage to the roots of Anglo-American vocal music (the first, *American Angels*, was a runaway hit), Anonymous 4 is joined by star instrumentalists Darol Anger and Mike Marshall in a selection of hauntingly beautiful religious ballads, folk songs, hymns, and gospel songs, whose poems tell a story of love and loss, hope and redemption.

"For sheer radiance... no one else comes close" - **Billboard**
