GRANADOS. Goyescas – El pelele

Javier Perianes

1H05 1 Vinyl HMM332626 December 2023

Francisco Goya's paintings have left a powerful imprint on the European imagination. It was undoubtedly Granados who best translated into music, with nobility and humour, this colourful universe where *majos* and *majas* dance to love and death in the twilight glow of a dying Ancien Régime.
