GEORGE FRIDERIC HANDEL

12 Solo Sonatas op.1

Academy of Ancient Music, Richard Egarr

2h27 2 CD HMU907465.66 May 2009

With its varied scoring and its exploration of instrumental combinations sometimes reminiscent of the Brandenburg Concertos, this set of 12 sonatas has nothing of an opus 1 about it, whatever the title page says! On the contrary, it is the work of a mature Handel in full command of his compositional resources.
