GEORGE FRIDERIC HANDEL

Concerti grossi op.6

Les Arts Florissants, William Christie

1h07 1 CD HAF8901507 August 2020

The concerto grosso, invented in Italy by Stradella and Corelli, spread rapidly all over Europe. But Handel's creative innovations surpass the Italian model, and are outstanding for their richness of style and expressive power.

This title was released for the first time in 1995.
