The harp from the classical to the modern age.

This programme covers over two centuries of music originally written for the harp: from the sonatas of C.P.E. Bach and Dussek (the classical style), to more recent works in which the instrument is freed from the constricting traditions of a stereotype repertory.

This title was released for the first time in 1987.

Artists

- Isabelle Moretti
Harp

Composers

- Carl Philipp Emanuel
Bach
- Johann Ladislav Dussek
