## Keyboard Concertos

Andreas Staier, Freiburger Barockorchester

one hopes that the author of this judgment pronounced in 1771 went on to temper his remarks when he heard such masterpieces as Haydn's concerto in D major, with its celebrated 'Hungarian' finale. It is true that in the last years of the Baroque period the genre was somewhat in eclipse: the Classical style was born of a certain facility - which is nonetheless highly entertaining! Andreas Staier plays a fortepiano by Monika May, Marburg, 1986, after Walter, Vienna, 1785.

This title was released for the first time in 2004.
