Alain Planès

1h09 1 CD HMC901761 Januar 2002

Haydn wrote keyboard sonatas for 'connoisseurs' and 'amateurs' throughout his career. Alternating bread-and-butter work and rich terrains of experimentation, they bear the mark of endlessly renewed invention. For the music lover afraid of losing his way in this abundant output, Alain Planès proposes a personal selection of works.

We can follow him with complete confidence.
