JOSEPH HAYDN

Piano Sonatas 53, 13, 43, 39

Alain Planès

1h13 1 CD HMC901762 August 2002

This second volume that Alain Planès has devoted to Haydn offers a selection revealing the rich inspiration typical of the composer's piano works. Four jubilatory sonatas, masterly in their sovereign freedom, are followed by a set of chiaroscuro variations that are already pre-Romantic.
