MICHEL LAMBERT

## Airs de cour

René Jacobs, Konrad Junghänel

0h47 1 CD HMX2901061 January 2004

Michel Lambert devoted himself exclusively to vocal music and especially to the air – over three hundred pieces have been counted –. He brought the solo air at the peak of its development, before it became an integral part of the French opera.

This title was released for the first time in 1981.
