MARIN MARAIS

La Gamme. Sonate à la Marésienne

London Baroque

0h47 1 CD HMA1951105 Juni 2000

Some highly unusual scales.

"Mr Marin Marais surprised musical connoisseurs with his pieces *La Gamme* ["The Scale"], which is a *piece de symphonie* that imperceptibly ascends the steps of the octave; one then descends, thereby going through harmonious songs and melodious tones, the various sounds of music." (Titon du Tillet, in *Le Parnasse Français*)
