CHAUSSON - YSAÿE

## Ysaÿe – Chausson

Marc Bouchkov, Georgiy Dubko

1h16 1 CD HMN916106 September 2017

This programme is the result of a passion for the violin, its ardent, vigorous song, its radiance tinged with gentle melancholy. Those are the qualities that Marc Bouchkov found in it from his earliest years before giving his first public concert at the age of six. Then came long years of study that culminated in several prestigious international prizes. He is an award-winner of the Juventus Foundation and has already appeared in concert with major European orchestras. His equally brilliant partner Georgiy Dubko is well established in an international solo and chamber career.

The harmonia#nova series is conceived to offer young artists singled out for their exceptional talents a technical, editorial and promotional showcase that lives up to the high standards of harmonia mundi's classical productions. While those standards remain identical across a very wide range of repertoires, the recording philosophy governing this series is rather different, since it is produced above all by the musicians themselves. Welcome!
