FELIX MENDELSSOHN-BARTHOLDY

Piano trios op.49 and op.66

Trio de Barcelona, Lluís Claret

0h57 Digital HMT7901335 March 1998

Three masterly trios.

Mendelssohn's chamber music is often underestimated. And yet, it was a field in which the genius of the composer of the *Italian Symphony* is particularly manifest, as Schumann observed on the Op.49 Trio, 'the model trio of our time, as Beethoven's and Schubert's were in theirs.'

This title was released for the first time in 1990.

Artists Composers
