CLAUDIO MONTEVERDI

MONTEVERDI. Vespro della beata Vergine (Ensemble Pygmalion)

Ensemble Pygmalion, Raphaël Pichon

1h42 2 CD HMM932710.11 February 2024

This album was first released in September 2023.

After 'Stravaganza d'amore', their superb album of late sixteenth-century Florentine music, Raphaël Pichon and Pygmalion return to Italy, this time to Mantua. Here they offer us their reading of one of the peaks of sacred music from this period: Monteverdi's Vespers. Revealing like no other interpreters the poignant interiority of these pieces, they bring out to the full their inherent sense of theatre. An overwhelming experience.
