WOLFGANG AMADEUS MOZART

Lieder & Klavierstücke

Werner Güra, Christoph Berner

1h03 Digital HMA1951979 December 2016

These songs by Mozart accompanied the events of his life like illustrations in a picture-book – from the departure of a close friend to a meeting of his Masonic Lodge. After their highly personal exploration of the Romantic lied, Werner Güra and Christoph Berner now turn to a less well-known repertoire with this selection of vocal and instrumental works.
