In their first recording together, Andrew Manze and The English Concert explore the range of Mozart's night-music, from the deceptive innocence of *Eine kleine Nachtmusik* and the turbulent passion of the *Adagio & Fugue in C minor*, to the playfulness of *Ein musikalischer Spass*. Informed by the latest scholarship, these vibrant performances peel away layers of tradition to reveal fresh surprises in familiar works.

*"The playing of The English Concert is beyond criticism."* (The Guardian, London)
