WOLFGANG AMADEUS MOZART

Piano Concertos no.21 & 24

Camerata Salzburg, Stefan Vladar

1h06 Digital HMA1901942 July 2017

Shadows and light.

From the sombre colours of the Fantasia in D minor to the dazzling Concert Rondo in D major, from the pathos of the C minor Concerto, no.24, to the sheer joy of the famous Concerto no.21 in C major, Stefan Vladar invites you to share a Mozart experience moving between two contrasting tonal universes. Here is a chance to rediscover the composer's full expressive range in major-key optimism and minor-key drama, without one ever being entirely dissociated from the other – quite the contrary, in fact!
