WOLFGANG AMADEUS MOZART

Piano Works

Andreas Staier

1h06 1 CD HMC901815 October 2003

This is Andreas Staier's first solo recording under his new contract with harmonia mundi.

Mozart's sonatas, variations and isolated movements for solo piano were written for his own use by a respected, highly acclaimed virtuoso. On that account they might well be set alongside the piano works of such composers as Franz Liszt and Sergey Rachmaninov. A. Friesenhagen

Andreas Staier plays a fortepiano by Monika May, Marburg, 1986, after Anton Walter, Vienna, 1785.
