# String Quintets

Ensemble 415, Chiara Banchini

1h08 Digital HMA1951512 January 2009

**Two quintets with two violas.**

When Mozart returned to this combination of instruments, he produced these two great Quintets of 1787, which although written within a month of each other are diametrically opposed in mood - like the last two Symphonies, whose they share.

This title was released for the first time in 1994.
