## Violin Concertos

Isabelle Faust, Il Giardino armonico, Giovanni Antonini

2h09 2 CD HMC902230.31 October 2016

**Mozart: The five most brilliant concertos for violin, all penned before the age of 19!**

Mozart was not even 15 years old when he began composing violin concertos that would serve as a backdrop at Salzburg receptions. An insatiable drive for independence would however lead the young Konzertmeister to overtly challenge musical forms, innovate with genres, humor and frivolity, all of which can be heard in this delightful first collaboration between Isabelle Faust and the musicians of Il Giardino Armonico conducted by Giovanni Antonini.
