« Musik für Alfons X. den Weisen »: Martin Codax, Cantigas de Amigo

The Dufay Collective

1h11 1 CD HMU907390 März 2005

The Dufay Collective makes its harmonia mundi début with a programme of music from 13th-century Spain which traces the troubadours influence on the songs and dances heard at the court of Alfonso the Wise (*El Sabio*), King of Castile and Leon from 1252-1284, and includes the earliest known "song cycle" - the *Cantigas de amigo* by Martin Codax.

"A remarkably talented ensemble." - **Classic CD**
