MELCHIOR NEUSIDLER

# Lute Music

Paul O'Dette

1h17 Digital HMU907388 September 2008

The son of a lute maker and prominent teacher, Melchior Neusidler was lucky enough to gain the favour of the Fuggers, a rich family of Augsburg bankers: soon his skills as a performer and their passion for his art enabled him to make his living from music – despite his difficult character, which discouraged many patrons! Paul O'Dette breathes new life into the music of this now forgotten master, which at one time was to be heard all over Europe.
