ASTOR PIAZZOLLA

Escualo

Ann Hobson Pilot, Lucia Lin, J.P. Jofre

1h57 Digital HMU907627 January 2015

A musical ambassador. The name of **Astor Piazzolla** is synonymous with the word tango. A musical ambassador who carried the signature sounds of Argentina's cafes and nightclubs to concert halls around the world, his instantly recognizable compositions (attractively arranged here for harp, violin and bandoneón) are infused with elements of jazz, fusion and even classical baroque.
