SCHUMANN - BERG - KURTÁG

Schumann – Berg – Kurtág

Quartet Gerhard

1h07 1 CD HMN916108 September 2017

These four Catalan musicians exiled in Berlin already have considerable experience behind them: seven years of shared concerts and discoveries that have seen them win major international prizes. The quartet's first disc at once says it all: an overarching perspective on the repertory, a taste for challenges, and uncompromisingly rigorous standards. All the qualities required to reach the highest peaks.

Lluís Castán Cochs, violin
 Judit Bardoleit Vilaró, violin
 Miquel Jordà Saún, viola
 Jesús Miralles Roger, cello

The harmonia#nova series is conceived to offer young artists singled out for their exceptional talents a technical, editorial and promotional showcase that lives up to the high standards of harmonia mundi's classical productions. While those standards remain identical across a very wide range of repertoires, the recording philosophy governing this series is rather different, since it is produced above all by the musicians themselves. Welcome!
