SERGEI RACHMANINOW

Transkriptionen & Corelli-Variationen

Olga Kern

1h12 Digital HMU907336 Mai 2004

Olga Kern comes from a long line of distinguished Russian musicians—her great-grandmother was a soprano who sang with Rachmaninov. Named Gold Medalist at the 11th Van Cliburn International Piano Competition in 2001, she is heard here in a dazzling program of Rachmaninov piano transcriptions, his *Corelli Variations*, and the Liszt *Hungarian Rhapsody No.2* (with Rachmaninov's cadenza transcribed from his own recordings) — performances by turns soulful and breathtaking.
