MAURICE RAVEL

## Werke für Violine und Klavier

Régis Pasquier, Brigitte Engerer

0h56 1 CD HMA1951364 Juni 2008

**Sonorous games and wagers.** In amusing himself by confronting two instruments he judged incompatible, Ravel remains faithful to his legendary penchant for anything resembling a gamble - whether of sonorities or of technique. Both serious and playful works, side by side, without any apparent contradiction - an ambiguity quite typical of the composer of *L'Enfant et les Sortilèges!*

This title was released for the first time in 1991.
