JEAN RICHAFORT

Requiem

Huelgas-Ensemble, Paul Van Nevel

1h00 1 CD HMA1951730 January 2013

We possess many works by Jean Richafort, but very little biographical information on the composer. In the sixteenth century he was the object of veneration and admiration. The great Ronsard himself spoke of him in the most enthusiastic terms, and most of his contemporaries - Mouton, Morales, Gombert, Palestrina - based Masses on his music. This title was released for the first time in 2002.
