Anthology. »Rolling River«. American choral (Choir of Clare College)

Choir of Clare College, Cambridge, Iestyn Davies, Graham Ross

1h15 1 CD HMM905362 April 2023

Choral singing enjoys astonishing vitality in the United States of America. Alongside Bernstein's prodigious *Chichester Psalms*, Barber's *Two Choruses*, and Erb's much-loved arrangement of *Shenandoah*, Graham Ross and the Choir of Clare College, Cambridge introduce us to the colourful works of the younger generation of composers on the other side of the Atlantic. A splendid panorama of American choral music from the post-war period to the present day.
