Rondo Violoncello

Cello-Ensemble, Peter Buck

1h04 1 CD HMA1905240 July 2017

Fifteen Cellos... together?

When Peter Buck formed an ensemble of fifteen identical instruments, it could be done only with violoncellos: this is the only string instrument capable of playing as effectively in the violin as in the double bass registers. The simultaneous use of all these possibilities creates a chamber orchestra of perfect homogeneity; the combination of superb technical virtuosity, discipline and an acute sense of modulating sonorities results in a magnificent -and unprecedented- range of timbres.

Artists

- Rondo Violoncello
- Peter Buck
Conductor

Composers

- Heitor Villa-Lobos
- Richard Wagner
- Leonard Bernstein
- Joseph F. Lamb
- Julius Klengel
- Johann Sebastian Bach
- David Funck
