GIOACCHINO ROSSINI

## Sei Sonate a quattro

Ensemble Explorations, Roel Dieltiens

0h55 Digital HMA1951776 June 2007

Rossini was only twelve when he composed his Sonate a quattro in 1804. Although the galant spirit of the eighteenth century is still present in them, the future operatic composer already asserts himself in these youthful works. A refined entertainment.

This title was released for the first time in 2002.
