Matthias Goerne, Andreas Haefliger

1h07 Digital HMC902141 February 2013

'New edition features composer's lyrical heartbeat at its most artless and unaffected. Goerne's Schubert edition is building an impressive head of steam: his choice of a variety of top-rank pianists seems to have stimulated a fresh appetite for music he has been singing for most of his career.' **Financial Times**, April 2011

'Matthias Goerne is one of the great Lieder singers of our times.' **Fanfare**, May 2011
