Under the fingers of Adam Laloum, Schubert's music becomes a journey. The emotions that enrich it are those of a deeply human artistry and the murmur of a voice that still moves us 200 years after falling silent. Adam Laloum's way with Schubert is unique, as his first album (Sonatas D894 and D958) so eloquently demonstrated. A new world awaits us here with the Sonata D959 and the *Moments musicaux*, whose unassuming title belies the lasting impact they have had on piano lovers.
