Streichquintet D956

Melos Quartett, Wolfgang Boettcher

0h57 Digital HMA1951494 Januar 2003

The string quintet with two cellos, a genre greatly favoured by Boccherini, was subsequently neglected by composers until Schubert composed his only string quintet in 1828, the year of his death – one of the great landmarks of music, regardless of period and genre.

This title was released for the first time in 1994.
