Les Arts Florissants, William Christie

1h13 1 CD HAF8905306 January 2019

If music be the food of love...

With this second volume of *airs sérieux* and *airs à boire*, William Christie continues his exploration of this vast repertoire of song settings of lyric and pastoral poetry, here focussing on such masters of the genre as Moulinié, Lambert, and Le Camus. Presented by his expert team of singers and instrumentalists, these exquisite miniatures – amongst which is ingeniously interspersed Charpentier's charming *Pastoraletta* – reveal all the nuances of the being in love. A delightful compendium enhanced by the superb artistry of the performers.
