Estonian Folk Hymns and Runic Songs

Heinavanker

1h06 Digital HMU907488 October 2013

The vocal ensemble **Heinavanker** (Estonian for "the hay wain") - led by composer Margo Kõlar since 1996 - delves into Estonia's early sacred music and folklore through the prism of contemporary imagination in this evocative program of ancient runic songs and folk hymns which range from joyful to reflective, sometimes featuring overtone singing.
