WOLFGANG AMADEUS MOZART

String Quartets dedicated to JOSEPH HAYDN

Cuarteto Casals

1h23 1 CD HMM902654 September 2021

After the early quartets and the famous 'Dissonance' Quartet, the Cuarteto Casals continues its exploration of the set of works Mozart dedicated to Joseph Haydn. Here one composer took on the mantle of the other: the younger man, who had now settled in Vienna and had just started a family, was going through an exceptional period of creativity, transfiguring everything he touched with his genius. An exhilarating experience for our Catalan musicians, following hard on the heels of their acclaimed Beethoven cycle.
