JAN PIETERSZOOM SWEELINCK

Psaumes français & Magnificat

Cappella Amsterdam, Daniel Reuss

1h01 Digital HMG502033 July 2017

Composer, organist, organ builder and teacher of international renown, Jan Pieterszoon Sweelinck was known in his own time as the 'Orpheus of Amsterdam'. Among his significant contributions to Franco-Flemish polyphony, one finds both psalms in French which closely follow the dictates of the Reformation and sacred vocal works in Latin, among which the *Magnificat* is outstanding.
