GEORG PHILIPP TELEMANN

Keyboard Fantasias

John Butt

1h13 Digital HMU907176 Februar 2000

With his keyboard fantasias, Telemann gave new wit and elegance to this galant idiom. These pieces are some of the most accessible keyboard music of the age, created to appeal to all levels of performers and listeners. "John Butt delights with sparkling virtuosity and rhythmic expressiveness". *BBC Music Magazine*
