Yardani Torres Maiani

0h59 1 CD HMN916116 September 2019

The harmonia nova series welcomes young artists singled out for their exceptional talents. With his "starlit night," Yardani Torres Maiani invites us to discover a sensory and aesthetic experiment: in a happy convergence of influences embracing his Gypsy heritage, far-flung travels, classical music training, and a dash of Baroque exuberance, the violinist-composer and his fellow musicians create an environment where the purest expression of flamenco can be revealed in a most unexpected fashion!
